WELCOME

Hi, I'm so glad *you're here.*

You run the sessions, and from today I'll help fill them.

This pack explains what happens in our first month, how I work, and the few things I need from you to get started. It takes about 10 minutes to read. The most important part is your to-do list: the sooner it's done, the sooner we can get going.

Any questions, just reply to my email.

GETTING STARTED

Your first *30 days.*

You won't see new posts in week one, and that's on purpose. Month one is when I get to know your business properly, so everything we post afterwards is built to bring in bookings, not just likes.

Today	You sign the agreement and pay your first month
Within 3 days	You complete your to-do list, including the intake form and account access
Week 1	Our kick-off call (about 60 minutes, recorded so I can focus on you rather than notes)
Weeks 1 to 3	I research your audience and competitors, and audit what you've posted so far
Week 3 or 4	I walk you through your strategy and your first content calendar
End of month 1	First posts may go live
Month 2	Full posting starts. We test what works
Month 3	We refine everything using what we learned

> Please send your intake form at least 48 hours before our kick-off call, so I can prepare.

MY PROCESS

How I *work.*

Most social media managers start posting on day one. I start by finding out what actually brings you customers. Here's what I do in month one:

1

Learn who your best customers really are

Not "women aged 25 to 40", but the patterns behind the members you love working with.

2

Use your customers' own words

I read your reviews, messages and testimonials so your content sounds like you and speaks the way your customers do.

3

Audit your last 90 days

I look at which posts got saved, sent people to your profile and started conversations, not just which got likes.

4

Study your competitors

I look at 25 to 50 accounts in your space to find what nobody else is saying, so you stand out.

5

Build your content plan

3 to 5 content themes, each with its own format and a fixed day, so your accounts stay consistent.

6

Map the path to bookings

From a post, to your profile, to a message or link, to a booking. If there's a gap, I'll find it and fix it.

YOUR PART

Your *to-do list.*

Please complete these within 3 days of signing.

- [ ] Sign the agreement
- [ ] Pay your first month using the payment link
- [ ] Fill in the intake form at forms.gle/dXXNYoeHskLYwww89
- [ ] Give me access to your accounts (see below)
- [ ] Share your logo, brand colours and fonts, if you have them
- [ ] Send examples of how customers talk about you: Google reviews, testimonials, screenshots of messages or enquiries, and any notes from sales calls
- [ ] Book our kick-off call at cal.com/socialsbyemi/kick-off-call
- [ ] Tell me who your main contact is, if it isn't you

ACCESS

Giving me access *safely.*

Please don't send me your passwords by email or message. Logging in from a new device can get your account locked, and passwords in an inbox aren't safe. Instead:

Instagram and Facebook	In Meta Business Suite, go to Settings, then Partners, and add a partner using my business ID 1382890086397820, with access to your Page and Instagram account.
TikTok	Add me to your TikTok Business Center, or we'll set up access together on our kick-off call.
Canva	Invite hello@emiliyasivankova.co.uk to your team or share your brand kit.
Anything else	We'll set it up together on a call, or you can share it through a password manager's secure share.

You stay the owner of every account, and you can remove my access at any time.

GROUND RULES

How we work *together.*

A few ground rules so things run smoothly for both of us.

Working hours

Monday to Friday. I don't work weekends or bank holidays, but don't worry: your posts are scheduled in advance, so your accounts stay active every day. Comments and messages that come in over the weekend are answered on Monday.

Replies

Within 1 working day. Email is the best way to reach me, at hello@emiliyasivankova.co.uk. Full Support clients also get a WhatsApp Business line for quick questions, answered on working days.

Calls

Booked in advance through my booking link, for the length set out in your package. If we agree to run over, the extra time is billed at £80 an hour, in 15-minute blocks, so I'll always check with you first.

Approvals

I'll send content for approval at least 5 working days before it goes live. Each post includes up to 2 rounds of changes: you send feedback within 2 working days, I send the updated version within 1 working day, and you send any final changes within 1 working day. Once both rounds are used, any further changes go into next month's content.

Urgent issues

If something comes up on your accounts, like a complaint that's getting attention, I'll flag it to you the same working day.

Ad budget

If your package includes ads, we'll agree a realistic budget on our kick-off call. As a guide, most venues need at least £300 a month (about £10 a day) for ads to give useful results. A very small budget, like £50 a month, usually isn't enough to learn what works. Ad spend is paid by you directly to Meta.

Payments

Monthly, in advance, through my payment link. If a payment is more than 7 days late, work pauses until it's paid.

Last-minute requests

Once your content calendar is approved and scheduled, new requests go into the following week's content.

Extra requests

Anything outside your package is quoted first, so there are no surprises.

Your footage

Each month I'll send a simple shot list. Phone footage is perfect. Please make sure anyone who appears in it is happy to be on social media.

BEFORE OUR KICK-OFF CALL

Your intake *form.*

Please answer these questions at least 48 hours before our kick-off call. Only the starred questions in the form are required: answer the rest as much or as little as you like, and we'll go deeper on the call.

Fill it in online

About 15 minutes. Your answers come straight to me.

forms.gle/dXXNYoeHskLYwww89

Your business

1. Where are you based?
2. What do you offer, and what are your prices? (Memberships, classes, courts, personal training, events.)
3. What's your timetable, and when are your busy and quiet times of year?
4. What do you most want social media to do for you in the next 3 months? (For example, more trial bookings, more members, fuller off-peak sessions.)

Your customers

5. Tell me about 3 customers or members you've loved working with. What were they like, and why did they choose you?
6. Now 3 you'd never take on again. What made them a bad fit?
7. How do new customers usually find you now?

What's been tried before

8. Who has run your social media before (you, a team member, an agency or freelancer)?
9. What did they get wrong, or what was missing?
10. Which posts do you think have worked best, and why?

Your brand

11. Which 3 words describe how you want your business to come across?
12. Is there anything you never want posted, or any topics to avoid?
13. Which competitors or other accounts do you keep an eye on?
14. Who in your team is happy to appear on camera?

Practical

15. Who's your main contact for approvals, and how quickly can they usually reply?
16. Do you run paid ads? If so, roughly what's your monthly budget?
17. Anything else I should know?

Let's fill those *sessions.*
